**Indian Pharmaceutical Congress Association** was founded by Late Prof. M. L. Schroff in December 1948 with an aim to advance and promote the cause of Pharmaceutical Sciences and Profession of Pharmacy. IPCA, a federation of five National Pharmaceutical Associations (IPA from 1948, IHPA from 1963, APTI from 1966, IPGA from 1973 and AIDCOC from 1995) is the apex body of more than 25000 pharmacy professional members representing Pharmaceutical Industry, Quality Control, Quality Assurance, Marketing, Research & Development, Regulatory, Academic and Hospital & Community Pharmacy. The IPCA organizes the IPC every year at various places throughout the country in which professional and academic representatives get together to discuss matters relating to Pharmacy with an aim to project the image of pharmacist as a health care professional and to create the awareness about the pharmacy and pharmacy profession amongst the public. The Indian Pharmaceutical Congress is a National annual event of Pharmacists from all walks of Pharmacy Profession to deliberate various issues relating to Industry, regulatory, academia, hospital and community pharmacy and to evolve collective wisdom for formulating newer policies for the country in the relevant fields and for the betterment of mankind.

IPCA organizes the IPC every year with an objective "To advance and promote the cause of Pharmaceutical Sciences and Profession of Pharmacy in all their aspects so as to ensure that Indian Pharmacy Products and profession are the best in the world and to help the public to get the best of benefit out of the same".

IPCA organised the First IPC under the leadership of Prof ML Schroff, also known as the Father of Pharmacy in India, in Calcutta in December 1948 and continued the legacy of IPC in the field of Pharmacy by organizing 67 congresses throughout the country to promote better dealing of the Pharmaceutical products including machinery and to create awareness among general public on usage of Drugs, Quality of Drugs, etc., and matters of common interest to the pharmacy community and thus the society at large.

The 68<sup>th</sup> IPC is being held for the First Time in the state of Andhra Pradesh after the division, in the most happening city of Visakhapatnam during December 16-18, 2016 and will be hosted by IPA at the Prestigious Andhra University College of Pharmaceutical Sciences. The theme "**Quality Pharmaceuticals and Patient Welfare**" envisages how Pharmacists can play a leadership role in the country to promote and realize the vision of Healthy India as well as stimulate discussions and thought processes centered around how the country and the pharmacy profession respond to realize this vision.

The 68<sup>th</sup> Indian Pharmaceutical Congress 2016, Visakhapatnam invites leaders from Pharma Industry, Regulatory, Academia, Research, Hospital and Community across the globe to deliberate and present their vision in their respective areas and views about the major role a Pharmacy professional can play in the health care system of the country in years to come.

## Greetings from IPCA and the LOC of 68<sup>th</sup>IPC

**Sri. S.V. Veerramani**  
President - IPCA

I am delighted to be elected as the President of IPCA for the year 2016-17 and express my deep sense of gratitude to the IPCA and IPA for bestowing the honor to preside over the 68<sup>th</sup> Indian Pharmaceutical Congress 2016, the flagship event of the IPCA. The 68<sup>th</sup> IPC to be hosted by IPA will be held during December 16-18, 2016 in the beautiful coastal city of Visakhapatnam at the prestigious Andhra University College of Pharmaceutical Sciences.

The theme of the 68<sup>th</sup> IPC is an extension of the previous IPC theme "Pharma Vision 2020-Pharmacists for a Healthy India" with a tag line, 'Quality Pharmaceuticals and Patient Welfare'. The theme would allow the Congress to focus on challenges faced by the Indian Pharma Industry in continuous production of quality pharmaceuticals in compliance with the global regulatory requirements and the role of a pharmacy professional in that process. The theme would also address the role of pharmacists in the continued evaluation of these pharmaceuticals during their clinical use in assuring safety to the patients through pharmacovigilance & outcome evaluation studies and finally, how the pharmacists could transform India from the position of a global pharmacy to an enviable position of the global wellness provider. As pharmacists, we have the responsibility to focus on patient's welfare while producing quality pharmaceuticals.

The local organizing committee (LOC) formed under the guidance of an IPA core committee is making all the arrangements required to make the 68<sup>th</sup> IPC a unique and memorable one. I am confident that the scientific programme would address the theme of the congress in all aspects and will be of interest to professionals from the Pharmaceutical Industry, Regulatory, Academia, Research, Pharmacy Practice and Students to garner participation from all facets of the profession in large number.

The IPC Expo 2016 will have a new exhibition partner -Orbit Exhibitions which, will be taking the responsibility of making the Pharma Expo a great show. I would like to request all the stakeholders to participate, exhibit and make this Expo a huge success and help us to build a strong brand of IPC Expo for the future. I request all the pharmacy professionals to support the 68<sup>th</sup> IPC by participating in large number and making it a resounding success.

Looking forward to meeting you all in the 68<sup>th</sup> IPC-2016 in Visakhapatnam in December 2016

S. V. Veerramani  
President - IPCA

## Greetings from LOC of 68<sup>th</sup> IPC-2016-Visakhapatnam

**Dr. Rao Vadlamudi**  
LOC-Chairman

Dear Pharmacy Colleagues and Professionals,

The local organizing committee of the 68<sup>th</sup> IPC along with Indian Pharmaceutical Association (IPA) core committee is extremely delighted to invite you all to the 68<sup>th</sup> Indian Pharmaceutical Congress to be held in Visakhapatnam, Andhra Pradesh. The 68<sup>th</sup> IPC, hosted by IPA, is very fortunate to have the consent and support of the great visionary and dynamic leader, Sri N.Chandrababu Naidu, Hon. Chief Minister of the State of AP as the Chief Patron of the congress along with a galaxy of Pharma Professionals as Patrons, Co-Patrons and Advisory Committee members. The 68<sup>th</sup> IPC will be held during December 16-18, 2016 for the first time in the State of Andhra Pradesh in the beautiful coastal city of Visakhapatnam, which is ranked 5<sup>th</sup> in Swatch Bharath Sarvekshan 2016 and is rapidly emerging as the Pharmaceutical Industry hub of the State of AP.

**Dr. T.V. Narayana**  
LOC - Secretary

The Pharmacist in India is no longer a mere dispenser of medicines, but is evolving as a counselor of medicines through effective management and leadership in health care delivery in the country. The theme of the 68<sup>th</sup> IPC, an extension of the previous IPC theme "Pharma Vision 2020 - Pharmacists for a Healthy India" with a tag line, 'Quality Pharmaceuticals and Patient Welfare', would allow to deliberate and present the Congress' objective to the Nation, to project the role of the pharmacists not only as a manufacturer of quality pharmaceuticals but also as an ensurer of patient welfare by improving treatment outcomes through advanced pharmacy practice, thereby paving the path to the 'Healthy India - Swasth Bharat' by 2025. The LOC is confident that the scientific sessions and deliberations of this congress would be thought provoking to help gain knowledge and experience to update the delegates.

The LOC would spare no effort to make this congress a memorable and unique one by introducing reforms in the conventional system of organizing the congress. Pharmexcil, IDMA and OPPI have already joined as supporting associations to the 68<sup>th</sup> IPC. Introduction of interactive Scientific Sessions, a Placement Conclave and a novel Food Court concept are few examples of changes planned during this congress.

The local organizing committee (LOC) along with the core committee, which brings to the table, the combined experience of organizing many congresses successfully in the past, welcomes you all to the 68<sup>th</sup> IPC 2016 at Visakhapatnam.
