Dear Delegates, Greetings!!!

At the outset, my sincere gratitude to all the members of Indian Pharmaceutical Congress Association (IPCA) for giving me the opportunity to serve as the President of 70th Indian Pharmaceutical Congress (IPC).

With a wide history of the development and innovation of Indian Pharmaceutical Sector, the entire Pharmacy fraternity commemorates the 70th valuable conference with the Theme "Pharma Vision 2030: Indian Pharma Industry- A Global Leader". The Conference is going to be organized from 21st-23rd December, 2018 at Amity University Campus, Noida, Delhi NCR would be showcasing Lectures from Internationally Recognized Speakers, Scientific Sessions, Plenary Sessions, Key stakeholders' Meet, Health Startup Hackathon, Placement and Entrepreneurship Fair and a Pharmaceutical Expo.

The conference aims to bring every pharmacy practitioner together to consider ways of extending the role of pharmacists in their respective areas, so that they play a full part in ensuring patients, and health systems, achieve full benefit from the medicines people take.

Taking forward the mission of "Make in India" and "Skill Development", endowment from all delegates is a motivation and enthusiastic factor in making India the Global Pharma Leader, making it self-sufficient in every aspect of Medicine, Biologicals, Vaccines, Medical Devices and Diagnostics.

There is an urgent need to reinforce and rebuild standards with statutory bodies and to restore the confidence of pharmacy graduates. The quality of education has to be improved by industrial participation so that the stakeholders are accepted in the global pharmaceutical industry. The regulatory policies of India are to be harmonized, so that India becomes global leader in pharmaceuticals including generics, API's, Medical Devices and Diagnostics.

The Pharmacy professionals must be educated and empowered to assume the responsibilities and higher level of leadership roles in healthcare sectors.

I take the opportunity to invite the entire Pharma Fraternity to make their invaluable contribution for the success of 70th IPC. Let us join hands in making the 70th IPC a mega event with positive outcomes.

CHIEF PATRON'S MESSAGE

It is a matter of immense pleasure that the historical event of the **70th Indian Pharmaceutical Congress, 2018** is being held at Delhi/NCR from 21st- 23rd December, 2018 at Amity University Campus, Noida, with the Theme : "**Pharma Vision 2030 : Indian Pharma Industry - A Global Leader**" bringing about the excellence of IPGA and Amity.

This Conference will be hosted by Indian Pharmacy Graduates' Association (IPGA), which is a Federating Association of Indian Pharmaceutical Congress Association (IPCA) along with other four Associations namely; All India Drugs Control Officers' Confederation (AIDCOC), Indian Hospital Pharmacists Association (IHPA), Indian Pharmaceutical Association (IPA) and Association of Pharmaceutical Teachers of India (APTI).

In recent years, the profession of pharmacy has shown exponential growth. In the current changing global scenario, harmonization of regulations in conformance with the International standards and practices is the need of the hour. Approximately 8000 Indian and International delegates would be attending the Conference from fields of Pharmaceutical Industry, Research and Development, Regulatory, Drugs Control Department, Quality Control, Quality Assurance, Hospitals, Community Pharmacies, Clinical Pharmacies, Pharmaceutical Marketing and Academics etc.

There is an urgent need to reinforce and rebuild standards with statutory bodies and to restore the confidence of pharmacy graduates. The quality of education has to be improved by Industrial participation so that the stakeholders are accepted in the global pharmaceuticals industry. The regulatory policies of India are to be harmonized, so that India becomes global leader in Pharmaceuticals including generics, API's Medical Devices and Diagnostics.

5 years back, in 2013, IPGA in association with Amity University organised 65th Session of IPC with overwhelming response at the lush green, State of the Art Amity Campus, Noida. The Congress was attended by more than 6,000 delegates, brilliant brains, highly successful and with great farsighted researchers, pharmacy graduates, highly successful professionals and the opinion makers and the Congress was named as **Maha Kumbh** of the Pharmacy fraternity, attended by all States of the Country as well as from different parts of the globe.

Also this time, the great emphasis would be given on the synergy of brains, the MISSION: CONNECT and the MISSION: OUTCOME, would result in providing opportunity to each delegate in achieving his/her academic and research career as well as professional career to fulfil dreams, however big these are. At the campus, IPR experts would be available to guide and advise for high quality publications as well as for filing of patents, so that each delegate can utilize these facilities and add to one's professional success and achievements. Also the Congress would lead to forge long term contacts with academicians, researchers and professionals with relevant Amity University Brilliant Colleagues.

We are pleased that the Central Council of IPGA has once again shown its confidence to host the 70th Session of IPC at Amity Campus, Delhi-NCR.

I specially mention the unmatched zeal, untiring efforts and hard work of Shri. Atul Nasa, Organizing Secretary - 70th Indian Pharmaceutical Congress, 2018/ Head of the Office and Controlling Authority, Drugs Control Department, Delhi and his colleagues in making this Congress highly successful, result oriented and outcome based.

I wish all delegates, the worthy speakers and all participants to have an enriching and fruitful time at this Congress and return with memorable experience.

Serving Life

Greetings!

I am immensely pleased to invite you to "The 70th Indian Pharmaceutical Congress" to be held at Amity University, Noida.

Indian Pharmaceutical Congress has always been a significant event within the lives of all the Pharmaceutical professionals of this country. With a rich history of 70 years, the Indian Pharmaceutical Congress Association has been working hard to ensure the rightful status of a Pharmacist within our Society.

Commencing the 70th edition of the Congress with a vision important to each professional, "**Pharma Vision 2030 : Indian Pharma Industry - A Global Leader**" we are making a step forward in achieving and becoming the best. Delhi perhaps being one of the most culturally diverse and architecturally splendid cities, adds up the charm of this event. The enthusiasm, dedication and commitment of the organizing team will spare no efforts in meeting your expectations and making this conference a successful event.

The Indian Pharmaceutical Industry is bracing up to meet the demands of the most ambitious health insurance scheme "**Ayushman Bharat**" which has potential to turn India in to the largest pharmaceutical manufacturer of the world.

At the 70th session of the IPC we hope to delve into new frontiers of drug discovery, drug development, pharmaceutical regulations and other related fields. This platform brings to get the brightest minds from various sectors of the industry and it is an ideal place for exchanging ideas. Let us all learn from these ideas and take the industry forward.

We will greatly appreciate your active participation and ensure that you carry rich remembrances of this event with you.

Looking forward to meet you all.

Chairman - LOC

I am delighted that this year's IPC (70th Indian Pharmaceutical Congress) is being held in Delhi- NCR, which is the heart of our great Nation, India - the land of aspirations, will be entering its 75th year of Independence in 2022 and next four years are going to be crucial for us as we combine our energies to build a New India.

I am happy to note that I have been appointed as Chairman of the Local Organizing Committee and I assure the Pharmacy brothers and sisters, that I will do my best to ensure that it should be a grand event setting new benchmarks for future organizers.

This year our focus in this Congress is mainly going to be on 'Industry- Academia Relations' and to achieve this objective I expect Micro, Small, Medium and Large Scale Pharma Industry to get involved in this mega event so that this vital industry objective of broad based development and large scale employment generation for pharmacy youth is achieved.

I take this opportunity on behalf of various Pharmaceutical Associations, which I represent as office bearer, to come forward not only from India rather invite your counter parts from abroad too from the field of Pharmacy and Allied Sciences, so that fruitful interactive sessions are organised in making this Congress a great success.

Development of a vast Nation like ours is possible only through the power of participation. The cycle of change which this congress is going to set, we have to put it in motion to carry forward at an accelerated pace so that healing touch reaches by our efforts to 125 crore people of India. Our focus of deliberations and discussion should be on forefront of promoting Industry, trade and entrepreneurship at the grass root level.

I am positive that the deliberations and interactive session during this 70th Indian Pharmaceutical Congress will bring forth a range of new innovative ideas and inspiration towards driving the economy to greater heights in the years to come.

I wish this Congress a grand success in noble endeavor.

ORGANIZING SECRETARY'S MESSAGE

Dear Pharmaceutical Professionals,

On behalf of the entire Organising Committee, I invite you all to the 70th Indian Pharmaceutical Congress scheduled to be held w.e.f. 21st-23rd December, 2018 at Amity University, Noida.

Five years ago, Indian Pharmacy Graduates' Association organised the 65th Indian Pharmaceutical Congress at the same campus, where I was honored to be the President of the Congress. During my Presidential address I had shared my dreams for the Pharmaceutical fraternity of India, encompassing as our vision, mission and wisdom for all my professional brothers and sisters. Since that day we all have been striving hard to make it a reality, whether it's the innovation or invention, for empowering the pharmacist.

Today, I gather this opportunity to be back for the service of Pharmacy profession with an enhanced vision and setting a bar at par excellence. With this year's theme as "Pharma Vision 2030 : Indian Pharma Industry - A Global Leader" we move a step ahead in making India a prime leader within the World Pharmaceutical Sector. At this eventful congress we proceed to make India sufficient at each level and every sector, be it Formulations, API's, Medical Devices or Bio similars.

Bringing the newness in the scientific deliberations in the congress, the organising committee has come up with new initiatives to engage the delegates fully involved in the latest developments in pharmaceutical sciences. This year, we have designed the new model for Training, Placement and Entrepreneurship for student delegates, where International Recruitments, Startup and Skill Development programs would be part of the pharmaceutical congress. A Women Empowerment Committee has also been made to look after the valuable need and leadership of the Women working within the Pharmacy profession.

The LOC formed by the Central IPGA core team is making all necessary arrangements to make your participation eventful and memorable. You all are cordially invited to participate in the 70th IPC to make the event a grand success. Health being a fundamental right of each and every citizen of the country and pharmacist being an integral part of the healthcare system let us resolve to unite and work together for fulfilling the dream of our beloved Prime Minister to make India "A Swasth Bharat".

With new commitments, young enthusiasm and distinguished approach we are all set to make this event a historic one. I take this opportunity to invite you all to make your valuable contribution for the success of 70th Indian Pharmaceutical Congress.

Let us all join hands for this valuable, change making journey.

With Pharmaceutical Regards,
