About Nirma University

Nirma University has been established in the year 2003 as a statutory university under Gujarat State Act at the initiative of the Nirma Education & Research Foundation (NERF). The University is also recognized by the University Grants Commission (UGC) under section 2(f) of the UGC Act. Nirma University has been accredited by NAAC in March 2010. Nirma University is a member of Common Wealth University Association and also of Association of Indian Universities. Dr. Karsanbhai K. Patel, Chairman, Nirma Group of Companies and Chairman, NERF is the President of the University and Dr. A. K. Singh is the Director General of the University.

Nirma University consists of Faculty of Doctoral Studies & Research, Technology and Engineering, Management, Pharmacy, Science, Law and Architecture. The programmes offered by these faculties are rated highly by accreditation agencies, industries, business magazines and moreover by the students. Innovation, excellence, and quality are the driving forces on the campus and this has translated the vision of this university into a reality over a short period of time. Today the campus vibrates with world class curricular activities and with myriad activities like international conventions, symposiums, conferences, student competitions, conclaves, short-term industry relevant programmes and cultural activities.

Academic development and research cell

Nirma University has constituted an Academic Development and Research (ADR) Cell in the year 2008 in order to maintain high quality standards in teaching-learning process, consistent with the vision and mission of the University. ADR Cell has taken the uphill task of not only monitoring the processes present in the system but also initiated concept-to-completion of many reforms. ADR Cell strategized the steps and actions to implement the Outcome Based Education in all the institutes of the University. The ADR Cell manages various research activities, including training and promotion of research and management of research grant, publication, patents, etc. The ADR Cell is vibrant and regularly organizes various faculty development programmes in diversified areas which include induction programmes, orientation programmes, research orientation programmes, refresher programmes, short term training programmes, etc. The ADR Cell also undertakes department, institute and university level academic audit to facilitate the efforts of the constituent institutes of the University in leveraging the academic and research standards, conformity to strategic planning and overseeing extension activities for social benefits, etc.

About Institute of Pharmacy

The Institute of Pharmacy was established in a year 2003 with a view to promote excellence in pharmaceutical education and to prepare young men and women to meet the challenges in the area of pharmaceutical industries, education, research & development and marketing. The institute provides degree, postgraduate and doctoral level education at this centre of excellence. The institute is poised to face global challenges of the pharmaceutical industry and education with the changed perspectives.

Objectives:

- To develop a centre of excellence imparting graduate, postgraduate, doctoral and postdoctoral level education in pharmaceutical sciences.
- To cater to the human resource needs of the rapidly expanding pharmaceutical industry, educational institutions and research laboratories in Gujarat State and in the country at large.
- To promote research in high tech emerging and thrust areas of medicine and human healthcare and contribute towards fulfilling the national objectives in pharmaceutical education.
- To establish excellent industry academy interactions and undertake collaborative professional programs in the areas of pre-clinical toxicity studies, pharmacokinetics and drug metabolism, formulation and development studies.
- To undertake research projects sponsored by the various funding agencies like CSIR, ICMR, UGC, DST & DBT and the pharmaceutical industries.
- To regularly conduct continuing education programs for the pharmaceutical scientists and academicians and develop this institute as a centre of QIPs for teachers.

Achievements of Institute

- Received DST- FIST grant worth 55 lacs rupees for infrastructure development
- The faculty members have received several awards/recognition for research publications and presentations at national and international level.
- The faculty members of the Institute received around two crore rupees grant from external funding agencies like DST, DBT, ICMR and GUJCOST for research and development.
- The faculty members have also received national recognition for Best M. Pharm. Thesis in PharmaInnova Competition supported by DST and Troikaa Pharmaceuticals Ltd.
